Student Right-To-Know and Campus Security

In 1991, the U.S. Congress passed the **Student Right-To-Know and Campus Security Act**, which requires colleges to report the three previous years of statistics on murder, sex offenses, robbery, aggravated assault, burglary and motor vehicle theft, and statistics on arrests for drug, alcohol, and weapons violations. In October 1998, President Clinton signed an amendment renaming the act the **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act** and requiring that all crimes motivated by hate or bias be included in the statistics.

The Office of Public Safety is responsible for preparing and distributing this report by Oct. 1 of each year for the previous year's crime statistics. We work with other University departments and the Raleigh Police Department to compile this information. All currently enrolled students, employees, prospective students, and prospective employees are entitled to request a copy of the William Peace University Annual Campus Security Report.
